

WEEKLY UPDATE

10/16/20

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 2 residents and 4 staff members test positive for COVID-19. Everyone has recovered and is back to their normal routine and healthy.

As you know, we have been preparing to safely allow visitors at our facility and we are so excited too, for you to see your loved ones. As we previously reported, there are many factors that determine when a facility can open up for visitors, up to and including our county's COVID-19 positivity rate, residents' health status, or if there is a COVID outbreak in the facility. Currently, we are waiting on approval from Texas Health and Human Services to approve our Plexiglas Indoor Visitation Booths for Limited Visitation to occur.

Also, we are beginning visitation for Essential Caregivers who have been designated as someone who provides regular care and support to the resident meeting the need. Each resident may have up to two (2) Essential Caregivers, but only one can visit one at a time. Essential Caregiver visits will be limited to 30 minutes at this time as that is what our facility can safely accommodate. The visits will occur in designated areas outdoors, to limit movement through the facility and interaction with other residents. If you have been designated as an Essential Caregiver, we will provide you with more specific procedures to ensure a safe visit with your loved one. If you wish to become an Essential Caregiver, please discuss this with your loved one or his/her legally responsible party and notify the facility.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (737) 241-0800.

Sincerely,

Kristy Cooper

WEEKLY UPDATE

10/01/20

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 2 residents and 4 staff members test positive for COVID-19.

As you might be aware, and as we have previously communicated, CMS has distributed guidance for nursing facilities to allow visitors. While we are so excited to for you to see your loved ones and to have you back at our facility, there are many factors that determine when a facility can open up for visitors, up to and including our county's COVID-19 positivity rate, residents' health status, or if there is a COVID outbreak in the facility. Please be assured we are working hard to create visitation plans that will allow you to visit your loved ones as soon as possible, but we need to make sure the visits can be done safely. We will let you know as soon as those plans are in place.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (737) 241-0800.

Sincerely,

Kristy Cooper

WEEKLY UPDATE

10/23/20

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 2 residents and 4 staff members test positive for COVID-19. Due to Travis County's Reporting numbers that are lower than 5%, we will be testing only employees monthly or unless circumstances change. Either way, we will keep you apprised of the situation.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

WEEKLY UPDATE

10/30/20

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 2 residents and 4 staff members test positive for COVID-19. The last case was over a month ago and everyone has recovered and is doing fine. We will be testing our staff this week and as usual will let you know the results.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. WEEKLY UPDATE

10/09/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Since the onset of this virus, we have had 2 residents and 4 staff members test positive for COVID-19.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (737) 241-0800.

Sincerely,

Kristy Cooper
