

### WEEKLY UPDATE

11/20/20

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 2 residents and 5 staff members test positive for COVID-19. We have had another round of testing and all tests were again negative. Unfortunately, General Visitation is still suspended pending further notice, but Essential Care Givers can choose to continue visits if they are up to date on all requirements.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

The residents have been busy making all kinds of fun turkey and thanksgiving decorations. We will be serving a traditional Thanksgiving lunch on Thursday 26<sup>th</sup>, 2020 and just know we will all be thinking about our loved ones and wishing everyone a safe and wonderful Turkey Day!

If you have any questions or concerns please contact us directly at (737) 241-0800.

Sincerely,

*Kristy Cooper*
