

**WEEKLY UPDATE**

**12/11/20**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 3 residents and 5 staff members test positive for COVID-19. We are continuing to test staff every Tuesday and will keep you updated as to the results, should anyone come up positive.

As you have probably heard, the CDC recently announced that healthcare workers and long-term care residents should be among the first group of people to receive the vaccine for COVID-19. We are optimistic this will help stop the spread of this virus in our community. Consents for the vaccines are currently available and while we do not have the exact dates that the vaccines will be administered, we will let you know as soon as that information is available. In the meantime, please continue to do your part in limiting the transmission of COVID-19 by wearing masks, washing your hands and keeping a safe distance from others.

We are also working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (737) 241-0800.

Sincerely,

*Kristy Cooper*

**WEEKLY UPDATE**

**12/18/20**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 3 residents and 5 staff members test positive for COVID-19. Our next testing day for all employees will be Tuesday December 22, 2020. As always, we will keep you apprised of the results.

Currently, everyone is eagerly awaiting the Covid-19 Vaccines. Once we get solid information as to exact times and dates it arrives in Texas and is available to our facility we will share that information with you.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (737) 241-0800.

Sincerely,

*Kristy Cooper*

## *Christmas Holiday Update*

Dear Residents/Families/Friends,

With Christmas and New Year's Eve around the corner, we would like to send you and your loved ones the warmest of holiday wishes. We know how difficult it is to celebrate this time of year without the same traditions we have all grown accustomed to, but with the COVID-19 vaccine becoming a reality in the very near future, we are more hopeful than ever that 2021 will bring happier and safer times for everyone.

As always, we are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with wonderful holidays. The resident Christmas Party will be on Thursday, December 24<sup>th</sup> around 2:00. Santa will be making a rare appearance along with a few of his elves!

As a reminder, our cumulative number of cases to date are as follows: 3 residents and 5 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Sedona Trace Health & Wellness, I wish you a happy and safe Thanksgiving.

Sincerely,

*Kristy Cooper*

**WEEKLY UPDATE**

**12/31/20**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility and notification that we recently received confirmation that one resident tested positive for COVID-19. That brings our total number of cases to 4 residents and 5 staff members that have tested positive for the virus. The resident in question is no longer at our facility. All staff and residents have been tested and all test results were negative. Essential Care Givers can choose to continue visits if they are up to date on all requirements.

Our next scheduled test for all employees and residents will be Tuesday, January 5<sup>th</sup>. As always, we will keep you informed of the outcome and do not hesitate to contact your Guardian Angel or the facility should you have any further questions.

Currently, Walgreens has our facility slated for receiving the COVID-19 vaccine the week of January 11<sup>th</sup>, 2020. More information will be shared once we have it, just wanted everyone to have an anticipated date, as things due change depending on availability.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (737) 241-0800.

Sincerely,

*Kristy Cooper*
