

WEEKLY UPDATE

August 14th, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at Sedona Trace Health & Wellness, (737) 241-0800.

Sincerely,

Kristy Cooper

WEEKLY UPDATE

8/20/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had one resident and two staff members test positive for COVID-19.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 737-241-0800.

Sincerely,

Kristy Cooper, LNFA

Weekly Update and Notification of New Case

8/21/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility as well as notification that a staff member recently tested positive for COVID-19, which brings our total number of cases to 1 resident and 2 staff members.

As we previously reported to you, the staff member that tested positive in July had not been in the facility for approximately three weeks prior to his confirmed test result. Also, the resident that tested positive for COVID-19 at the beginning of this month was immediately transferred to another facility. Finally, as we discussed with our residents and families over the phone, the staff member that tested positive this week is at home and will not return to the facility until cleared to do so per CDC guidelines.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Thank you for your continued support. Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 737-241-0800.

Sincerely,

Kristy Cooper, LNFA

COVID NOTIFICATION/UPDATE

August 5, 2020

To Our Valued Residents, Families and Representatives:

We recently received confirmation that a resident in our facility tested positive for COVID-19. While we are disappointed that we have a resident with COVID after we have worked so hard to prevent the spread of this virus in our facility, we know that we are dealing with an extremely contagious virus. Rather than be discouraged by this, we are going to focus our efforts on taking all necessary steps to protect our residents and staff.

We are committed to eliminating this virus from our facility and we will continue to implement and practice enhanced safety precautions recommended by our federal, state and local health officials, such as, only allowing essential personnel inside the facility, performing regular screenings for signs and symptoms of illness prior to entering the building, continually monitoring residents, performing regular deep cleanings, using PPE as recommended by the CDC, providing individual activities as opposed to group activities, implementing isolation protocols as required, and reminding and encouraging staff to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community.

As a reminder, we will post updates on our facility website at www.SedonaTrace.com and we will individually notify representatives/families regarding a resident's condition if he/she tests positive for COVID-19 or is displaying symptoms of COVID-19. If you have any questions or concerns please contact us directly at 737-241-0800.

Sincerely,

Kristy Cooper
